HELPFUL INFORMATION

A Bucks Quarter Representative will be there every first day to provide resident transportation and handle any difficulties that might arise.

Currently each Meeting serves every nine months.

Meaningful worship takes place in a different form than in your home meeting.

PLEASE DON'T BRING YOUR PURSES !

Many residents love purses and want to hold them indefinitely.

IDEAS FOR THE WORSHIP SERVICE

Short periods (not more than five minutes) of silence interspersed with other activities have proved to be the most successful format for worship.

Music, particularly familiar hymns, is very popular. On the back of this sheet is the song list from the songbook. There is usually a piano available. Any musical instrument that is brought and used for accompaniment or performance is well-liked.

Readings of Bible verses and poetry, especially if familiar, are also a good idea. There are residents who may appear uncommunicative but who will respond to familiar songs and readings. The Lords Prayer and the 23rd Psalm will always have respondents.

Readings from Faith & Practice, Quaker authors and other spiritual sources have been used with great success.

If you are comfortable sharing in things of a spiritual nature it can be a deep experience for all.

Art work, from paintings to pottery, has been brought in to the interest of the residents.

First-Day school classes have come and presented a variety of programs. The Chandler Hall residents love to see the younger generations. This is a great opportunity for the youngest and oldest of us to interact.

If you have a problem and can't make it call the person at your meeting that arranged the schedule.
