MEMORIAL MINUTE FOR HONORA SNYDER BEIGHLE

During the years that Honora Snyder Beighle was a part of our Meeting and the surrounding community her warm friendliness, her helpfulness and her love were evident to all who knew her.

Thirteen of those years were spent as administrator of Friends Boarding Home where her deep concern for each of the residents in her care was appreciated. She thoughtfully created a happy home.

After her retirement she spent the next thirteen years using her many talents in very special ways. Much of her time was spent as a volunteer at Doylestown and St. Mary Hospital as well as at Chandler Hall, the Friends Peace Center and the Friends-In-Need programs. She was a willing and thoughtful member of each of these groups. She had that special gift of listening with loving sensitivity and was helpful in every way she could be.

Honora had a warm spot in all of our hearts. We will miss her very much and remember her always.

This Minute was submitted by Ella Otto
in November, 1994, and presented at Monthly
Meeting March 1995.
