## MEMORIAL MINUTE FOR EDNA PEARSON

---

Edna Walton Pearson, a cherished member of Newtown Meeting, moved on to the next stage of her spiritual journey. Her Memorial Service, with messages of love from her family and friends, was a true celebration of her long and dedicated life.

A sustaining member of this Meeting for many years, Edna also gave her support quietly and generously to Newtown Friends School and to George School where she graduated in 1907.

We will remember Edna for many things, among them the beautiful bouquets of flowers carefully and lovingly arranged and put in the Meetinghouse each First Day from early spring until late autumn. For as long as she was able, they were an example of her affection for her Meeting and its members.

All these things will keep her memory bright. We are grateful for her life.

- Ella Fraser, on behalf of the Meeting
